

PRESENTATION SERIES 2016

The PGSA Presentation Series provides postgraduate students a chance to present their research to their peers in a friendly and constructive environment.

If you're planning on presenting your research at an upcoming conference, or about to give a presentation to your department or faculty for Confirmed Enrolment, if you just want a chance to practice your presentation skills, or want to see others present, then come along and join us for an hour.

The Presentation Series will take place monthly from February to November. If you're interested in presenting your research, please drop us an email at pgsa@waikato.ac.nz at least two weeks in advance.

All are welcome! Hope to see you there!
